PRESIDENTS LETTER from Kim Alaniz

Let me start with a little business. 1. I didn't get an overwhelming response (13 I think) to the question regarding the Region 2 Rally, but from those I did hear from (thank you), more than half would be interested in attending a rally in June in York, PA. I will respond accordingly to Region 2. Certainly, feel free to hit the reply button to the email and let me know your thoughts. Here is what the email contained (if you didn't receive the email let me know ASAP):

RJ has been working diligently on a Region 2 Rally (R2R) to be held in York, PA at the York Expo Center tentatively scheduled from June 10-13, 2021. With the cancellation of last year's R2R, Rich Short is hoping to spark enough interest in holding the rally this year. The response by the officers was mixed and it was agreed that the clubs would be polled to determine possible participation. Rich was not trying to sway the club in either direction but is interested primarily in holding a safe and enjoyable event. According to Rich and RJ, the building and grounds are quite spacious, allowing for sufficient distancing between trailers, and more than adequate for our needs as well as for adhering to current health guidelines. The buildings are clean and modern. The grounds will accommodate a good size tent as well. From what we understand, there are plenty of campsites with 30 amp electric and water. Dump station will be available. The WDCU did not have a rally of its own scheduled for June but did put on the calendar the New England Unit's NYC Base Camp Rally. However, the status of that rally is unknown. I am personally not overly anxious to go bouncing around NYC anytime soon and would certainly consider attending the R2R. If it is a go, each club would be called upon to help in some fashion which has yet to be determined. **I would like to ask each of you to respond to this email advising if you would be interested in seeing the R2R held this year and if you are in favor, would you be interested in attending? Please respond to this email by Feb. 1st.**

2. If you haven't looked ahead at the rally schedule and made plans, do so as soon as possible as several rallies have released or will be releasing sites shortly.

The Unveiling

I'm sitting in my living room with a view of "Twelve," for that's what I'm calling OT (our trailer) today as she is 12 years old. I planned a whole article on trailer naming but sadly it just isn't coming together. Twelve, as you well know, was being restored by David "DJ" Masten of Broken Rivets RV Service in Ashland, Virginia. Danee and I traveled to Broken Rivets to pick her up last week and I had the pleasure of meeting DJ (and Jessica, his lovely wife) in person after so many months of texting. If I hadn't already developed a liking for DJ before, it was definitely solidified on this visit. DJ's attention to detail, the love for his craft, and his unassuming demeanor, were all on display. Before I get to the pictures, I'd like to share a couple of my more recent texts with DJ that speaks to his diplomacy. DJ sent a picture of the installed awnings and asked me what I thought, to which I replied . . . amazing, and in turn asked him what he thought. DJ's reply was, they're definitely brighter and more unique. (As an aside, based on that reply, I actually floated another name for the trailer by Danee, "BU Chick," 'B' for brighter and 'U' for unique – for me this is a double entendre – BU for Bureau and Chick for women – an informal name for

a group of gals I worked with years ago.) Then there was the text about the floor; after he sent a picture of the floor, he commented that he's seen lots of color and patterns in floors over the years and in spite of it being busy, it actually pulls from the rest of the coach . . .

All that being said, I love my refreshed 'Twelve.' Her new Fan-tastic fans and dark covers (not sure why we just now got these covers), the ease of the door opening and closing, the shiny rear-light housing thing, just to name a few of the details DJ updated. The only thing left for us to buy now is a new bed and we are taking recommendations!

PS: don't forget, DJ will be attending the Staunton Rally in May and will be booking upgrades and repairs – more information later.

Sincerely,
Kim

ONE MOORE THING...

The newsletter is a short one this month. A date has been determined for Installation 2021. It will be Oct 14-17. The information is in the Rally listing area.

I heard from a member a couple of weeks ago with information about a couple that had been in our unit some time ago. I am not sure when they stopped traveling but I know they did because they started having trouble towing. Gordon Ward passed January 6 and Anita predeceased him. I am not sure when. They were a nice couple. Gordon made the best turtle brownies. His recipe was called Terrapin Cake. He used to always hold out and save a piece for me! We'll see you again at the big campfire in the sky and I am sure we will all be camping. If the name doesn't ring a bell, I am sure the picture at the end will.

Please submit your news articles by February 28, 2021 as a word document OR just type it on an email. Please let everyone know what you're up to while hunkered down or escaped to warmer climes for the winter. If you only have pictures, those would do also. I am always looking for filler pictures and would like to start putting in your pictures of you, your airstream, your travels, or all the above.

Stay well, be safe!
Just campin',
Linda #15116

ADDITIONAL RALLY INFORMATION –

...Capital Kick Off – April 22-25, 2021 – Hosts: Amy Parker & Jeff Sutton and Erica & RJ Marquette. Please send an email to jeffrey.s.sutton@gmail.com to let them know you will be attending and site #.

We have selected the Point Lookout State Park (MD) campground as the location. The state parks will not hold a group of sites to give extra time to make reservations, but right now there is plenty availability. I presume the sites will begin to fill up within the next month or two, so it's a good idea for everyone who is thinking about attending to make a reservation.

There is a \$6.25 reservation fee that is not refundable, but outside of that, as long as a reservation is cancelled within 24 hours of the planned arrival, there is no additional charge.

The rally will be on the weekend of April 23 to April 25. There are multiple camping areas at the park, but we will hold our breakfasts, happy hours, dinners, etc at the sites in Tulip Loop.

You can make reservations online at www.parkreservations.maryland.gov or by phone at 888-432-2267.

If anyone has any questions, please contact me jeffrey.s.sutton@gmail.com. It would also be great if folks could let me know what site number they will be staying at so we can keep an accurate head count. Once we are closer, we will figure out what the rally fee will be. Jeff

... WDCU Spring Rally – May 20-23, 2021 – Host: Patti Galupo patti.galupo1973@gmail.com - Walnut Hills Campground & RV Park, 484 Walnut Hills Rd., Staunton, VA 24401 – 540-337-3920 or 800-699-2568.

Save the date! I'm excited to share one of my sacred spots, Walnut Hills Campground with the team. It's tucked neatly in the Shenandoah Valley within eyeshot of the majestic Blue Ridge Mountains of western Virginia. If you read my newsletter article submitted this past summer, this spot is central to my camping experience, and led me to you guys!

I've been camping here now for the last 7 years and the staff is truly family to me. More information is to follow, but I wanted to lay out the basics so you can book your reservation!

We have secured 17 sites in what I call "the hill." These are primo spots; full-hook up, with a scenic view of the mountains and the expertly groomed grounds and fishing hole below. The pull thru sites are very large and accommodating-most are buddy sites (two trailers front to back)- others are back in. Within the pull-thru buddy sites, some have deluxe patios, with a swing and gas grill. Trust me. Even with the buddy sites fully occupied, you won't feel crowded. I've secured a deluxe patio site alone-to serve as a "command post"-for fires and breakfast etc. We've also reserved a couple of singular, back in sites.

All sites; buddy or otherwise, are full-hook ups. (that we have reserved).

Should we exceed capacity, the staff will do its best to place you in another site. (not all have full hook up service)- but this campground's sites are all excellent!

EACH RESERVATION MUST BE MADE INDIVIDUALLY. THERE IS NO GROUP RATE. IT IS ALSO A GOOD SAM PARK. GIVE THEM YOUR NUMBER AND GET A 10% DISCOUNT!

The rates vary according to day and type. For example, the most expensive buddy site (deluxe patio) has a Thursday rate of \$62 with a buddy charge of \$36-and for Friday and Saturday- the rate is \$65 and \$38 respectively. In this example, if you average out the rate; it comes to approximately \$50 per person. NOTE: YOU'LL HAVE TO WORK THIS OUT WITH YOUR "BUDDY" AFTER THE FACT-THE FRONT OFFICE WILL SIMPLY BOOK FOR THE RATE AS LISTED, TO TWO INDIVIDUAL TRAILERS. If two trailers know ahead of time that they want to "buddy up"-they need to call literally a few minutes within one another, with their individual information. This could get tricky. I suggest that you leave it up to the staff to work that out and accept whoever is placed as your buddy. Also, trailer length may come into play.

We literally have the entire hill to ourselves!

Reservations for this rally will be accepted from November 15, 2020 to March 1, 2021. After March 1st, the sites will be released. (if you are one-half of a buddy site that doesn't get filled, you will simply have the site to yourself).

WHEN CALLING-ASK FOR ERIKA AND SAY YOU ARE BOOKING FOR THE GALUPO RALLY. ONLY ERIKA WILL BOOK OUR PARTY (SHE IS THE CAMPGROUND MANAGER).

If you have any questions, call me at 202-494-9991 or email me at patti.galupo1973@gmail.com.

Looking forward to a fabulous 2021 camping season!

Patti aka "Galup"

----->Additional info for Staunton rally

Reference was made above in the rally listing to Airstream Tech DJ Mastin providing a presentation on repair and maintenance issues at the rally. I've known and worked with DJ for 7 years. He's a certified Airstream Tech and previously worked at Airstream of Virginia before starting his own business, Broken Rivets RV Service in Ashland, VA. In addition to a classroom presentation, he'll be offering onsite services/ repairs to the membership at a reduced rate. My rig is currently in the shop getting some upgrades, so I'll have him prepare some materials that I'll forward when available. These services will be between the client and DJ, I'll simply facilitate by working it into the schedule.

Don't forget, after you make a reservation, please notify me at patti.galupo1973@gmail.com of your attendance and site number.

...Harpers Ferry Rally - August 19-22, 2021 – Hosts: Danee & Kim Alaniz

HF /Civil War Battlefields KOA, 343 Campground Road, Harpers Ferry, WV 25425, 800-562-9497

Harpers Ferry has been confirmed. We have 15 (30 & 50 amp) sites which will be held until February 1, 2021. The site numbers designated for the rally are 29 through 35 and 37 through 44. When you call the central reservation number to make the reservation refer to the WDCU Airstream Club. The daily rate is \$85.00. There is no itinerary yet, but I hope to capitalize on the outdoor activities in and around Harpers Ferry. Please make your reservation ASAP as the block will be released February 1, 2021. Also, **if there is anyone looking to cohost the rally with Danee and Kim Alaniz, please let us know, daneekim2468@gmail.com.**

...OBX Rally - Sept 15-22 2021 – Hosts: Sonia & Jerry McConnell

CAMP HATTERAS, 24798 NC HWY 12, P.O. Box 10, Rodanthe, NC 27968, 252-987-2777, camphatteras.com

The 'official' rally is Wednesday to Wednesday 9/15 thru 9/22; however, Sonia and I will be there starting Sunday 9/12 so anyone who wants to make a full calendar week of it can.

With a minimum of 10 trailers we are getting a 20% discount but only for 7 days. So, for example, if you stay Sunday to Sunday or Wednesday to Wednesday you will get the 20% but the 8th day is back to full price. You pick which 7 days you want to stay...a little confusing but I wanted to clarify that.

The discounted nightly rate is \$65.00 plus tax and there are no additional charges to be added by the campground.

We have not decided on a rally fee yet...I have reserved the pavilion for Friday and Saturday evening so we will do a Potluck on Friday and maybe revive the Pasta Night for Saturday. We will of course have Juice Box Beach Thursday and Go Fly a Kite Friday. We will try to keep it chill.

We have reserved Dolphin Drive - when you call please say you are with the Washington D.C. Airstream Club. We are dealing with Jen Carlson but you can reserve with anyone in reservations. The below is from Jen.

"Rally members need to call to pay their individual deposits and any unclaimed sites will be released August 2, 2021. Approximately 10 days prior to arrival, each member will receive an email which will include a link to our secure payment portal so they can pay their remaining balance prior to arrival. Each group member needs to check in upon arrival at the Guard House to receive their arrival packet. Check in time begins at 1:00PM and we do ask that you time your arrival to be here no earlier than 1:00 as we do not allow early check ins."
